5121 S 111th Street, Hales Corner

Stunning home in a prime location! The main floor offers a spacious primary suite with jetted tub, walk-in shower, and large closet. Soaring vaulted ceilings and a cozy gas fireplace create an inviting family room. The gourmet kitchen features expansive granite countertops and flows into a formal dining area—perfect for gatherings. Upstairs, an open loft with custom iron spindles leads to two additional bedrooms. The finished basement is ideal for entertaining with a wet bar featuring concrete countertops, 4th bedroom, and full bath. Backyard oasis includes an in-ground hot tub, above-ground pool, gas fire pit, and a 2.5-car heated garage.
