4207 N Murray Avenue, Shorewood

Step into this beautifully updated Shorewood bungalow where classic charm meets fresh, modern style. Thoughtful renovations throughout include an updated kitchen, pantry, and bathrooms, creating a home that feels both welcoming and move-in ready. The bright main level offers inviting living and dining spaces, beautiful wood floors, and a well-designed kitchen with quartz countertops, a generous island, modern finishes, and an impressive pantry with abundant storage and workspace. With four spacious bedrooms, three updated full baths, a light-filled upper family room with a skylight, and additional finished space in the lower level, there is plenty of room to enjoy. Outside, the spacious backyard features a large composite deck and raised garden bed, perfect for relaxing or entertaining. The home's elevated setting is an added benefit, with the house and yard sitting higher than many surrounding properties. Best of all is the exceptional Shorewood location—walk to restaurants, coffee shops, a grocery store, gym, pharmacy, banks, multiple parks, schools, and so much more. A wonderful combination of space, updates, outdoor living, and true neighborhood convenience.
